Dear President Subbiondo,

The California Acupuncture Board voted at their June 19, 2015 Board Meeting to grant Training Program Approval to California Institute of Integral Studies (CIIS) with a stipulation that the Board's site team revisit CIIS in six (6) months.

As a California Acupuncture Board Approved Training Program, it is CIIS' responsibility to ensure full compliance with all provision of the Acupuncture Licensure Act and Acupuncture Regulations. Graduates of CIIS' approved training program must complete the approved curriculum to sit for the California Acupuncture Licensure Examination (CALE).

Additionally, pursuant to 1399.439 of the California Code of Regulations, CIIS must submit an *Annual Reporting Form for Approved Schools* to the Board within sixty (60) days of the close of your school's fiscal year. I have attached this document for your reference.

If you have any question, please feel free the Acupuncture Board. We look forward to working with you to provide a quality educational program that maintains the integrity of the profession.

Sincerely,
