

CIIS IS CHANGING THE WORLD FROM THE INSIDE OUT

Stanley Fuller

Bachelor's Completion, '15 /
Community Mental Health, '17

"I believe in Compassion and hope. I come from a heavy trauma background, but I've seen over the course of my life, and my clients' lives, that healing does happen. This work has really enhanced my belief in the power of love."

Rodney Brazier

Bachelor's Completion, '17 &
Community Mental Health

"CIIS is the 'Hogwarts' of psychology schools because it's so magical. And it's also a social activist factory because it makes you very eager to go out into the world and change things."

Sara Clerk

Integrative Health Studies

"CIIS is educating change-makers and sending them out into the world."

Jennifer Caldwell

Community Mental Health, '17
/ The Clinic Without Walls

"CIIS counseling centers meet a major need for people who would not be able to work or take care of their families if they couldn't manage their mental health."

Avery Leora Ross

Bachelor's Completion, '98

"CIIS was the jumping off point for me to uncover my voice. The Bachelor of Arts Completion program gave me the confidence to apply for the #1 gerontology master's program in the country, the University of Southern California, from which I graduated with a 4.0 GPA."

CIIS is the foundation I stand on, and it gave me wings to fly!"
