

## CIIS TOTAL COST OF ATTENDANCE

*Notes:*

- These costs are based on rates of tuition and fees for academic year 2016-17, with an average 4% increase calculated for tuition each subsequent academic year (no increase for fees).
- Costs are based on **expected program duration**. Total cost will be less if program progress is shorter and costs will be more if program progress is longer.
- These totals **do not include** the cost of the following:
  - books and supplies, which vary among programs
  - retreats/intensives which are required in some programs and optional in some programs
  - required psychotherapy (50 hours) for Master of Arts in Counseling Psychology students
