

CURRICULUM VITAE

Name: Mishara, Aaron L., Ph.D., Psy.D.

Email: Aaronlmishara@gmail.com

Education:

Ph.D., The Pennsylvania State University (Philosophy, 1989)

Psy.D., Rutgers University (Clinical Psychology, 2004)

Certificate in Cognitive Science, Rutgers Center for Cognitive Science (RuCCS, 2004)

Faculty Appointments:

9/2016 - Associated Distinguished Professor, California Institute of Integral Studies (CIIS), Courses taught: Neuroscience of Somatic Psychology; Quantitative Research Methods in the Neuroscience of Consciousness

8/2014 - 2018 Full Professor, The Chicago School of Professional Psychology, Downtown Los Angeles Campus; Courses taught: Basic Interventions Humanistic and Existential Psychotherapy, Social Bases of Behavior, Functional Neuroanatomy, Psychopharmacology, Cognitive and Affective Bases of Behavior, Research Methods and Statistics (Forensic Psychology), Research Methods I (Quantitative), Research Methods II: Program Development (Clinical PsyD program), Advanced Qualitative Research Methods (IO Department), Clinical Practicum Maintenance, Theories of Counseling and Psychotherapy, History and Systems of Psychology, Beginning and Advanced Psychopathology, Alcohol and Chemical Substance Abuse, Social Psychology and Behavioral Economics (IO Department), Lifespan Development (Forensic Psychology) Course Stream Coordinator: Existential and Humanistic Psychotherapy Track. Other duties: Dissertation and academic mentoring, practicum maintenance. Committee work, Admissions Committee, Dissertation Committee, SAC committee, preparing APA CoA self-study for APA accreditation.

9/2012 –2014 Associate Professor, Department of Clinical Psychology, Sofia University, Palo Alto CA; Courses taught: Biological Bases of Behavior, Social Bases of Behavior, Cognitive and Affective Bases of Behavior, Parts A and B; Psychopharmacology, Law and Ethics II, Spiritually Oriented Clinical Theory and Research (Co-instructor); Neuroscience of Relationship; History and Systems of Psychology. Mentored Students. Committee work: improving students' scientific writing.

- 1/2010 – 2012 Department of Clinical Psychology, Core Faculty, The Chicago School of Professional Psychology, Chicago, IL; Courses taught and other duties: Basic and Advanced Psychopathology (with Service Learning Components), Biological Bases of Behavior, Clinical Neuroscience, Human Neuropsychology, Basic Interventions Humanistic and Existential Psychotherapy, Social Bases and of Behavior (Social and Affective Neuroscience), Neurobiology and Spirituality, Professional Development, Research Clerkship Mentor, Child and Adolescent Track, Dissertation Advisor, Committee Work (Faculty Search Committee, Committee for Multi-Campus Faculty Collaboration, Strategic Plan Implementation Committee), Course Stream Coordinator Neuropsychology/Neuroscience Concentration. Designed new graduate M.S. program in applied neuroscience and neuropsychology, including 36 credit course curriculum schedule, syllabi, Catalogue Course Descriptions, and Curriculum Alignment Map in compliance with the NCSPP Competency Model of Education and Training (was presented to Board of Trustees and received WASC Accreditation, 2012).
- 1996 - 1997 Adjunct professor, Department of Philosophy, John Carroll University, Cleveland, Ohio
- 1994 – 1997 Clinical Instructor, Department of Psychiatry, Case Western Reserve University, Cleveland, Ohio
- 1992 – 1994 Julius-Maximilians Universitaet Würzburg, Medical School, Institute for Psychotherapy and Medical Psychology; Department of Philosophy, Würzburg, Germany. Taught : Medical Psychology to medical students ; philosophic psychology to graduate students (in German))
- 1991 – 1994 Contractor for U.S. Military: Conducted Training in Stress Management, Anger Management, Change Management for US Military and their Families stationed overseas (Germany)
- 1991 – 1994 University of Maryland and City Colleges of Chicago Overseas Programs : Taught U.S. Military undergraduate courses in psychology : Introduction to Psychology, Abnormal Psychology, Psychology of Personality, Social Psychology, Developmental Psychology, Lifespan, Dreaming and Self-Hypnosis Workshops.

Clinical and Research Experience:

- Fall 2016 - Guest Participant, Journal Club, UCLA Integrative Center for Learning and Memory, Brain Research Institute, UCLA.
- Summer, 2015 Guest scholar, Institute of Medical Psychology and Human Science Center, Ludwig-Maximilians-University Munich (Prof. Ernst Pöppel)
- Summer, 2015 Guest researcher, Department of Psychiatry, Charité University Hospital,
- 2012 – 2014 Guest Scholar, Stanford University, Palo Alto, CA
- Summer, 2011 Guest Researcher, Department of Psychiatry, Hannover Medical School, Germany

Summer, 2010 Guest Researcher, Department of Psychiatry, Human Brain Mapping Research Unit, Cambridge University, Cambridge, UK

2008 - 2009 Yale University School of Medicine Postdoctoral Fellowship, Clinical Neuroimaging Sciences Training Program, Departments of Psychiatry and Diagnostic Radiology, NIMH training grant;

2006 - 2008 IC Postdoctoral Research fellowship, Clinical Neuroscience Research Unit, Department of Psychiatry, Yale University School of Medicine

2004 - 2006 Yale U. School of Medicine Postdoctoral Fellowship, NIMH training grant, Research training in Functional Disability Interventions, CT MH Center

2002 – 2003 Clinical internship, Neuropsychology, Clinical Brain Disorders Branch, NIMH/NIH, Bethesda, MD

2001 – 2002 Contractor, Neuropsychological Assessment and Research, Clinical Brain Disorders Branch, NIMH/NIH, Bethesda, MD

1999 – 2001 Externship, Clinical Psychology, Rutgers University, Psychological Clinic of the Graduate School of Applied and Professional Psychology. Piscataway, NJ

1999 – 2001 Screening and disposition for Emergency Psychiatry, Acute Service Division/ Acute Psychiatric Services, University of Medicine and Dentistry of New Jersey, Piscataway, and Newark, NJ

1998 – 2000 Externship, Clinical Psychology, Beth Israel Medical Center Brief Psychotherapy Research Group, New York, NY (module psychotherapist in brief relational therapy, including mindfulness metacognitive components).

1998 – 1999 Externship, Adult and geriatric inpatient unit, Beth Israel Medical Center New York, NY.

1997 – 1998 Externship, Clinical Psychology, PACT Substance Abuse Psychotherapy Program at St. Peter’s Medical Center (CBT, Motivational Interviewing), New Brunswick, NJ.

1995 – 1996 Psychology Assistant, Lorain Correctional Facility, Ohio Department of Corrections, Lorain, OH

1994 – 1995 Clozapine Coordinator, Psychology Assistant Ohio Department of Mental Health, Western Reserve Psychiatric Hospital, OH

1988 – 1989 Psychology Assistant, State Diagnostic and Placement Center, District of Columbia Public Schools, Cedar Knoll School (Detention Center), Oak Hill, MD (Psychoeducational Assessments)

Professional Honors, Awards and Certification:

License in Clinical Psychology, State of Illinois (CA license in process)

Certificate in Cognitive Science, Rutgers Center for Cognitive Science (RuCCS, 2004)

Reviewer for MRC (Medical Research Council, UK) for proposed study in field of expertise (December 2017)

Collaboration with University College London, Health Humanities Centre: “Application of translational research to the clinic and patient benefit?” (2017-2019)

National Center for International Studies (NCIS) International Faculty Grant (TCS) for research collaboration with University College London (Health Humanities Centre, Cognitive Neuroscience and Neurology) (2017 – 2018)

Clinical Psychology, Planetary Health Lab, Global Health Academy, College of Medicine, University of Edinburgh, UK
<https://www.planetaryhealthlab.com/team>

Distinguished Faculty Research and Scholarship Award (2017) for past 3 years of research and scholarship, The Chicago School of Professional Psychology (whose collected works represent a substantial contribution to her or his respective field)

National Center for International Studies (NCIS) International Faculty Grant (TCS) for research collaboration with colleagues in at Charité Universitätsmedizin Berlin; Professors A. Heinz, P. Sterzer); And as research guest, Prof. Dr. Ernst Pöppel, Head, Research Group Systems Neuroscience and Cognitive Research, Institute of Medical Psychology Ludwig-Maximilians-University Munich, Germany, May, 2017;

Member, International Consortium on Hallucination Research (ICHR), Workgroup, (2017- 2018) Beyond Voices: The Phenomenology of Altered Perception in Psychosis); Findings published in Schizophrenia Bulletin (2017 - 2018)

ICHR 2019 Work Group: presented Altered Bodily Experience in Multimodal Hallucinations (research theme), Durham, UK, Sept. 2019;

National Center for International Studies (NCIS) International Exchange Visitor Grant (TCS), for Dr. Mishara to host J-1 visa grant Anne Giersch, MD, PhD, Director of the INSERM lab for Neuropsychology/Physiopathology of Schizophrenia in the Dept. of Psychiatry at the Univ. of Strasbourg, March 23-April 4, 2017.

Fellow, the Karl Jaspers House and Library, Oldenburg, Germany; August, 2015

National Center for International Studies (NCIS) International Faculty Grant (TCS) for research collaboration with colleagues in Prague, Munich and Berlin, Germany, Summer, 2015;

National Center for International Studies (NCIS) International Exchange Visitor Grant (TCS), for Dr. Mishara to host J-1 visa for Philipp Sterzer, MD, PhD, Professor of Psychiatry and Computational Neuroscience at Charité Universitätsmedizin Berlin, at the Chicago School of Professional Psychology, Los Angeles Campus, May, 2015

Brain and Behavior Research Foundation (NARSAD) Young Investigator Award to Increase the Understanding, Research and Treatment of Severe Psychiatric

Disorders, 2011-2013)

Chicago School of Professional Psychology, 2010-2011 Learn and Serve, Service Learning Faculty Grant Recipient for Innovative Implementation of Service Learning in the Classroom

Chicago School of Professional Psychology, “Maestro” award for Recognition of Commitment to *Community Engaged Scholarship*, 2010

Chicago School of Professional Psychology, Multi-Campus Faculty Collaboration Grant, 2012

Course Stream Coordinator, Neuropsychology/Neuroscience Concentration, Chicago School of Professional psychology, Fall/2011 -

Chicago School of Professional Psychology, Lead in Developing New Interdisciplinary Clinical Neuropsychology/Neuroscience Graduate Program, 2011

Chicago School of Professional Psychology, Service Recognition Award, for outstanding service, performance, achievement, and dedication during 1st year of employment, 2010-2011

Chicago School of Professional Psychology, Complex International Faculty Grant, 2011, in collaboration with the Hannover Medical School (MHH) for Multi-Center, International Initiative for Narrative Text Bank: “Patient Voices, What it is Like to have a Mental Disorder and how I Integrate this Fact into my Life-Story”

Chicago School of Professional Psychology, Complex International Faculty Grant, 2010 for Research with Cambridge University, Cambridge, UK: Learning and consolidation/reconsolidation processes underlying the formation of delusions in acute psychosis

Yale University School of Medicine Postdoctoral Fellowship, Neuroimaging Sciences Training Program, Departments of Psychiatry and Diagnostic Radiology, 2008 – 2009

IC Postdoctoral Research Fellowship, Clinical Neuroscience Research Unit, Department of Psychiatry, Yale University School of Medicine, 2006-2008 (DOD Intelligence Community award for Detecting Deception Research (\$120,000)

Postdoctoral fellowship, NIMH Training Grant, Research training in Functional Disability Interventions, Yale University School of Medicine, 2004 – 2006

Whitney Humanities Center Grant (Yale University) for Interdisciplinary Working Groups in Cognitive Neuroscience, Literary Theory and Visual Arts, 2007- 2010

Certificate in Cognitive Science, Rutgers Center for Cognitive Science, 2004

Rutgers University Fellowship for Study of Professional Psychology, 2001-2002

Highest Committee Evaluation, Dissertation in Philosophy, The Pennsylvania State University, 1989

Fulbright-Hays Full Research Grant in Psychology and Psychiatry, Federal Republic of Germany, 1984-1985

One Year Renewal of Fulbright-Hays Full Research Grant, 1985-1986

Interdisciplinary Research Fellowship in Psychology, The Pennsylvania State University, 1981-1982

Selected Peer Reviewed Articles and Reviews (Including peer reviewed invited contributions)

Media Interviews

- 89.3 KPCC Southern California Public Radio, Take Two Interview with Dr. Aaron Mishara and Lizzie Post, Emily Post Institute, on "Why Social Media Shaming is Getting out of Hand," February, 2015 <http://www.scpr.org/programs/take-two/2015/02/13/41558/why-does-social-media-so-often-go-from-sharing-to/>
- Interviewed as content specialist in *Newsweek*: <http://www.newsweek.com/cannabis-cooking-tips-thanksgiving-day-720481>

Conference and Other Presentations (selection):

- Zaytseva, Y., Melicharova, J., Kozakova, E., Simkova, E., Mikriukov, I., Schinkova, K., Spaniel, F., Mohr, P., and Mishara, A. Self-Disturbance Scale and its Application in Schizophrenia. Society of Biological Psychiatry (SOPB), Chicago, IL, May 16-18 (poster)
- Zaytseva Y., Melicharová J., Kozáková E., Šimková E., Mikriukov I., Schinková K., Španiel, F., Mohr P, Zaytseva, Mishara, A., The Application of the Self-Disturbance Scale in Schizophrenia and its Relation to Auditory Hallucinations. International Consortium on Hallucinations Research, Kyoto, Japan. October 18-19 (Slide Presentation)
- Melicharová J., Kozáková E., Šimková E., Mikriukov I., Schinková K., Španiel, F., Mohr P., Mishara, A., Zaytseva Y. The Application of the Self-Disturbance Scale in Schizophrenia. 12th Congress of Czech Psychiatric Association, Mikulov, Czech Republic, June 13-16, 2018 (poster)
- Mishara, A.L., Wilson, J (University College London), Balice, G. Clinical Psychology as an Interdisciplinary Health Profession: Expanding Cross-Disciplinary Applied Research Methods to Meet the Challenge (TCSPP's First Annual Interprofessional Virtual Conference; for Continuing Education Credit), May 3, 2018
- Introduced and hosted Allen Frances, MD (Chair of DSM-IV Task Force). The Criminalization of Mental Illness and the Medicalization of Evil. The Chicago School of Professional Psychology, April 2, 2018

- Schwartz, M.A., Mishara, A.L. Reconciling Population Based Psychiatry and Person-Centered Psychiatry: Evidence-Based Medicine vs Practice-Based Medicine. Institute for the History of Science and Technology. University of Toronto. Persons and Populations: Historical and Philosophical and Perspectives Conference. Toronto, Ontario, April 28, 2018.
- Mishara, A.L., Giersch, A. Disrupted Continuity of Subjective Time in the Milleseconds Range in the Self-Disturbances of Schizophrenia: Convergence of Experimental, Phenomenological and Predictive Coding Accounts. 16th International Congress on Schizophrenia Research (ICOSR), March 24-28, Manchester Grand Hyatt, San Diego, CA.
- Mishara, A.L. Thought insertion, Time Distortion and Visual Hallucinations in Schizophrenia: Phenomenological Approaches to the Self-Disorders. Clinical Grand Rounds, Department of Psychiatry, UCLA, David Geffen School of Medicine, Harbor-UCLA-Medical Center, Los Angeles, CA, February 14, 2017
- Mishara, A.L. Invited panel on the film “Fruitvale Station” (police brutality and African American Youth). Black Student Union, the Chicago School of Professional Psychology, February 5, 2016.
- Mishara, A.L. Phenomenology and Neurobiology of Self-Disorders in Schizophrenia, Grand Rounds, Department of Psychiatry, UCLA, David Geffen School of Medicine, Harbor-UCLA-Medical Center, Los Angeles, CA, December 1, 2015.
- Mishara, A.L., Schwartz, M.A. Phenomenology of the Embodied Experience of self/Other: Neuroscience, Literature and Neuropsychiatric Disorders as Sources of Data. Psychology and the Other Conference. Sponsored by Harvard and Lesley Universities, Boston College, Harvard Square, MA, October 8-11, 2015.
- Mishara, A.L. Workshop Chair: “Self-disorders in schizophrenia: Predictive Coding, Disruption of Context and Metacognition” (other participants: Paul Lysaker, Katherine Thakkar, Sohee Park, Michael A. Schwartz). 15th International Congress on Schizophrenia Research (ICOSR), 28 March-01 April 2015 at The Broadmoor in Colorado Springs, Colorado, USA.
- Mishara, A.L., Schwartz, M. “Perception, Memory, Context: How delusions form and persist.” 15th International Congress on Schizophrenia Research (ICOSR), 28 March-01 April 2015 at The Broadmoor in Colorado Springs, Colorado, USA.
- Mishara, A.L. “Karl Jaspers and the Early Heidelberg School: Self-disturbances (Ich-Störungen) in Schizophrenia” The American Philosophical Association (APA) Pacific Division Meeting, April 1-4, 2015, Vancouver, Canada.
- Mishara, A.L. Phenomenology and Neurobiology of Delusions. 13th Charité Conference on Psychiatric Research: Emotional Neuroscience 29th-30th August 2014, Charite - Universitätsmedizin Berlin, Berlin (invited keynote)

http://www.charite.de/fileadmin/user_upload/microsites/m_cc15/psychcm/Konferenz_Emotional_Neuroscience/Flyer-ENS-2014_01.pdf

- Mishara, A.L. Phenomenology of Self-disorders: Clinical Expertise, Diagnosis and Neurobiology. 16th Annual International Conference for Philosophy, Psychiatry and Psychology (INPP): Neuroscience, Logics, Mental Development, Varna, Bulgaria, June 26-29, 2014 (invited keynote, did not attend due to health reasons).
- Mishara, A.L. The Role of Memory in Delusions. Society for Biological Psychiatry. New York, NY. May, 2014 (poster)
- Mishara, A.L. Self-disturbances In Schizophrenia: Models of Hippocampal-dopamine Interactions And Their Phenomenological Correlates. Society for Biological Psychiatry. New York, NY. May, 2014 (poster)
- Mishara, A.L. Self-reference and social cognition in schizophrenia. Society for Biological Psychiatry. San Francisco, CA, May, 2013 (poster)
- Mishara, A.L. Director of Workshop: “Centenary of Karl Jaspers’ ‘General Psychopathology’ (1913): Why Jaspers’ work is crucial to current debates about diagnostic classification. International Congress on Schizophrenia Research, Orlando, FL, April, 2013
- Mishara, A.L. “Delusions of reference and social cognition in schizophrenia.” International Congress on Schizophrenia Research, Orlando, FL, April, 2013
- Mishara, A.L. Panelist, Continuing Education Course, Annual Conference, Division 32 Humanistic Psychology, American Psychological Association Meeting, “Phenomenology, Depth Psychology and DSM 5” Santa Barbara, CA, February 28- March 3, 2013.
- Mishara, AL, Clews, K, Bonnemann, C “Episodic memory and experience of self in PTSD and Schizophrenia: Common neurobiological mechanisms?” Slide Presentation in the Nano Symposium: Human Long-Term Memory, Medial Temporal Lobe at the Society for Neuroscience Conference (October, 2012, New Orleans). (Clinical doctoral student as co-author)
- Mishara, AL (Panel Chair) *Self, Depths and Spirituality: Phenomenology of Psychosis and Healing* at the International Society for Psychological and Social Approaches to Psychosis Conference (ISPS, October 2012, Chicago, IL), mentored 3 clinical doctoral psychology student presentations:
 - Kolano, M, Mishara, A.L. Spirituality, Psychosis and Healing: A Case report of Living on the Edge
 - Clews, K, Mishara, A.L. Distinguishing Spiritual Emergency from Psychosis in Early Schizophrenia: How Phoenix Arises from the Ashes
 - Reynolds, N., Mishara, A.L. Does Depersonalization have the same phenomenology, unconscious depth processes and neural mechanisms in psychotic and non-psychotic disorders: The case of Delusional Misidentification Syndromes?

- Mishara AL, Parkhomenko DV, Schwartz MA. Neurophenomenology: Current Debates, Future Prospects. Moscow International Congress Dedicated to 110th Anniversary of AR Luria's Birth. Abstracts. Moscow, Russia November, 2012. (Clinical doctoral student as co-author) (Abstract translated into Russian)
- Mishara, A.L., Cohen, S., Clews, K., Smith, K., Bonnemann, C. PTSD Flashbacks and Memories for Psychosis: Disruption of "user's illusion" in Episodic Memory? Society of Biological Psychiatry, Philadelphia, PA May 3-5, 2012 Slide Paper Presentation (3 clinical doctoral students as co-authors)
- Aram, E, Mishara, A.L. ACT and Existential Approaches to Self. Slide Paper Presentation for Society for the Exploration of Psychotherapy Integration (SEPI). Evanston, IL, May 17-20, 2012.
- Clews, K., Cohen, S., Bueltel, C., Shipley, S., Mishara, A.L. How the arts model empathy for professional students in training. Society for the Exploration of Psychotherapy Integration (SEPI). Evanston, IL, May 17-20, 2012 (Mentored 4 clinical second year students poster presentation)
- Mishara, A.L. Challenges in the applications of qualitative research to psychopathology and neuroscience (in Panel with L. Bach, D. Blau and L. Brown) Eighth International Conference on Qualitative Inquiry. University of Illinois Urbana-Champaign, May, 2012
- Mishara, A.L. (Panel Chair) Phenomenology of Self and Other in Clinical Treatment and Neuropsychiatric Disorders. Several first and second year doctoral presenting mentored slide presentations, Division 32 Humanistic Psychology, American Psychological Association Meeting, Pittsburgh, PA, April, 2012 (for CE credits):
 - Clews, K., Cohen, S., Bueltel, C., Shipley, S., Mishara, A.L. How do the arts model empathy in clinical interactions?
 - Reynold, N., Greyson-Bost, K., Mishara, A.L. Depersonalization in Mental Disorders and Person-Misidentification Syndromes
 - Aram, E., Mishara, A.L. Acceptance Commitment Therapy (ACT) and Existential Approaches to Self.
- Mishara, A.L. Panelist, Continuing Education Course, 5th Annual Conference, Division 32 Humanistic Psychology, American Psychological Association Meeting, "Humanistic Inroads in Neuropsychology through Assessment, Diagnosis, Research" Pittsburgh, PA, March 29-April 1, 2012.
- Clews, K., Cohen, S., Bueltel, C., Shipley, S., Mishara, A.L. How do the arts model empathy in clinical interactions? Cultural Impact Conference, Chicago, IL, January 27, 2012
- Mishara, A.L. "How Literature Informs the Neuroscientific Study of Self and its Disorders," Panel on States of Consciousness in Literature, 127th Annual Convention, Modern Language Association, Seattle, Washington, January 5-8, 2012

- Mishara, A.L., Cohen, S., Clews, K., Smith, K., Bonnemann, C. Neurobiology of PTSD Flashbacks: Disruption of “user’s illusion”? (Slide Presentation) Nanosymposium, “Memory: Pharmacology and Disease,” presented at the Society for Neuroscience, Washington, DC, November, 2011 (3 clinical doctoral students as co-authors)
<http://www.abstractsonline.com/Plan/ViewSession.aspx?sKey=d071b808-dc09-42be-a626-d31921c07073&mKey={8334BE29-8911-4991-8C31-32B32DD5E6C8}>
- Mishara, A.L., Schwartz, M. “Delusional Psychosis in Early Schizophrenia: Existentialism Meets Neuroscience?” Judaism, Science & Medicine Group, Emory University October 30-31, 2011, organized as collaboration between the Center for Jewish Studies at Arizona State University and the Emory Center for Ethics.
- Mishara, A.L., Cohen, S. “What is Empathy? Is it trainable? What do the Arts and Neuroscience tell us?” Socratic Roundtable, Academic Center for Excellence, The Chicago School of Professional Psychology, November 1, 2011 (Clinical doctoral student, co-author)
- Mishara, A.L., Thorrud, K., Bonnemann, C. Quantifying the experience of delusions of reference in beginning schizophrenia (poster) Society of Biological Psychiatry Conference, San Francisco, CA, May, 2011. (clinical doctoral student, co-author)
- Mishara, A.L., Bonnemann, C. Chicago School Based International Multi-Site Narrative Text Bank Initiative: Patient Voices: What it is like to have mental illness and how it is integrated into the patient’s life-story? (Slide presentation) The Chicago School Multi-campus Faculty Conference, May, 2011
- Dunkelblau, E., Mishara, A., Clinical Psychology, Kohler, K., Glenn, J., Hansen, W. Community Psychology in Action. The Chicago School Multi-campus Faculty Conference, May, 2011
- Mishara, A.L., Thorrud, K., Bonnemann, C., Phenomenology of disruption of self-experience in delusions of reference in schizophrenia (poster). International Congress on Schizophrenia Research, Colorado Springs, CO, April, 2011 (clinical doctoral student, co-author)
- Mishara, A.L. Director of Workshop: “Bridging Clinic and Clinical Neuroscience: Loneliness, Social Anhedonia and Bonding in Schizophrenia” International Congress on Schizophrenia Research, Colorado Springs, CO, April, 2011
- K. Smith, C. Bonnemann, A. L. Mishara: Loneliness and Psychosis in Schizophrenia: Interventions for Resilience (poster). Division 32 Humanistic Psychology, American Psychological Association Meeting, Chicago, IL, April, 2011 (Mentored Student Presentation)
- E. Sieg, J. Acosta-Uribe, Lt Col L. Eugenia Uribe, F. Lopera, A. L. Mishara: Phenomenological Approach to Body Experience in Phantom Limb Patients (poster). Division 32 Humanistic Psychology, American Psychological Association Meeting, Chicago, IL, April, 2011 (Mentored Student Presentation) (Clinical doctoral student, first author)

- K. Clews, S. Cohen, C. Bonnemann, A.L. Mishara: Phenomenological-Holistic Approach to the experience of Time during Flashbacks in PTSD (poster). Division 32 Humanistic Psychology, American Psychological Association Meeting, Chicago, IL, April, 2011 (Mentored Student Presentation, clinical doctoral student as first and second authors)
- Mishara, A.L. Delusional Psychosis in Early Schizophrenia: Existentialism meets Neuroscience? Child and Adolescent Track Speaker Series, The Chicago School of Professional Psychology, March, 2011
- Mishara, A.L. Narrating the Body: How Storytelling heals PTSD. Center for Academic Excellence, Storytelling Speaker Series, The Chicago School of Professional Psychology, March, 2011
- Mishara, A.L. Why we need phenomenology for the neuroscience of mental disorders. Inaugural Keynote Lecture. 49th National Congress of Psychiatry, Santa Marta, Colombia, October, 2010 (XLIX Congreso Colombiano de Psiquiatria)
- Mishara, A.L. Hypnagogic Models of the Self in Psychosis: Neuroscientific and Phenomenological Approaches. Plenary Lecture. 49th National Congress of Psychiatry, Santa Marta, Colombia, October, 2010
- **Workshops concerning phenomenologic approaches to psychopathology and clinical neuroscience** for Universidad Nacional de Colombia, Bogotá, Colombia Universidad Nacional de Colombia – Bogotá, and Facultad de Medicina - Universidad Javeriana – Bogota, Colombia
