EDUCATION

Degrees:

- | | | |
|-----------|-----|--|
| 2007-2011 | PhD | Institute of Transpersonal Psychology, Palo Alto, CA
Transpersonal Psychology <ul style="list-style-type: none">• <i>Teaching, Education, and Research Specialization</i>• <i>Additional 2 years didactic and practica in clinical psychology</i>• <i>Assisted with pilot study and led an RCT testing a psychospiritual intervention for people with cancer, producing seven dissertations</i>• <i>Completed in 4 years a program with mean duration of 6.5 years while obtaining two degrees, a specialization, elective clinical training, and managing two NIH-funded studies at Stanford University</i> |
| 2007-2010 | MS | Institute of Transpersonal Psychology, Palo Alto, CA
Transpersonal Psychology |
| 2003-2005 | BS | Bastyr University, Kenmore, WA
Double Major - Health Psychology and Spirituality <ul style="list-style-type: none">• <i>Founded 2 clubs – Consciousness Studies and Indigenous Healing</i> |
| 2001-2003 | AS | Colorado Mountain College, Steamboat Springs, CO
Honors Science <ul style="list-style-type: none">• <i>Valedictorian</i>• <i>Phi Theta Kappa (national honor society)</i> |

Certifications and Trainings:

- | | | |
|------|---|--|
| 2019 | John F. Kennedy University, Pleasant Hill, CA | Online effective practice: Digital presence in the online classroom
Injury & Illness Prevention
Diversity: Inclusion in the Modern Workplace
Harassment & Discrimination Prevention
Accommodating Disabilities
Code of Conduct: Workplace Conduct
FERPA Basics |
| 2013 | Stanford University, Stanford, CA | Statistics in Medicine |
| 2011 | Stanford University, Stanford, CA | Methodology of Research in Behavioral Sciences, Helena Kraemer
Finding funding
Systematic reviews |

- 2011 Harvard University, Cambridge, MA
Mind-Body Medicine, Herbert Benson
- 2010 + 2011 Stanford University School of Medicine, Integrative Medicine courses
- 2010 Stanford University, Stanford, CA
Full research management training – Cardinal Curricula I and II
Grants management, NIH submissions, clinical trials
- 2009 Center for Mind-Body Medicine, Washington, DC
CancerGuides II, Integrative Oncology, James Gordon
- 2008 Institute of Transpersonal Psychology, Palo Alto, CA
Intensive in Trauma Training, Somatic Approaches to Trauma
- 2008 Center for Mind-Body Medicine, held at ITP, Palo Alto, CA
A Mind-Body Medicine Approach to PTSD
- 2006-2007 Cambridge College, Bellevue, WA
Classroom Management, Classroom Communication, Advanced Learners,
Questioning Techniques, Adult learners
- 1996 Mueller College of Holistic Studies, San Diego, CA
Certified Massage Therapist
Several related somatic healing certifications
- 1981-1984 Broward Community College, Davie, FL
FL State licensed Paramedic/EMT
- 1994-2003 Shamanic healing and Native American spirituality, mountains of Colorado
Sun dance, vision quests, lived in community as apprentice healer
Worked primarily with Cheyenne healer Michael Special Deer
Pipe carrier with Lakota Sioux
Many ceremonies with Northern Ute and Apache Indians
- 1999 Hospice Services of Northwest Colorado, Steamboat Springs, CO
Certified Hospice Volunteer

WORK HISTORY

- 2016-Present California Institute of Integral Studies, San Francisco, CA
Adjunct Professor, Doctoral Program, Integral and Transpersonal Psychology
- *Designed and built the following three courses*
 - *Research Design and Critique with Exceptional Human Experiences*
 - *Somatics and Exceptional Human Experiences*
 - *Advanced Topics in Exceptional Human Experiences*
- Adjunct Professor, Masters and Doctoral Programs, American College of Traditional Chinese Medicine
- *Clinical Research Methods*

- 2015-Present BIAL Foundation, Coronado, Portugal
 Research Fellow
 California Institute of Integral Studies, San Francisco, CA
 Principal Investigator, Grant #528/14
- *Anomalous Cognition with Electromagnetic Shielding (ACES) Study*
 - *Two phase study with two co-researchers and ten research assistants*
- 2014-Present California Institute for Human Sciences, Encinitas, CA
 Lead Faculty, Masters and Doctoral Programs
 Doctoral Dissertation and Masters Thesis Committee Member
 Website content for CIHS coronavirus resources
- *Consciousness-Based Medicine: An Expanded and Inclusive Model for Integrative Care*
 - *Quantitative and Qualitative Research Methods*
 - *Psychopharmacology*
 - *Research Methods for Religion and Spirituality*
 - *Buddhism*
 - *Hinduism*
 - *Mystical Christianity*
 - *Theories of the Chakras*
- 2013-Present John F. Kennedy University, San Jose, CA
 Adjunct Professor, Masters Programs, Psychology and Health Education
- *Consciousness-Based Medicine*
 - *Research Methods, Quantitative and Qualitative*
 - *Research Methods for Health Education*
 - *Research Methods, Program Evaluation*
 - *Advanced Research Methods, Statistics*
 - *Health Education Models of Change*
 - *Health, Environment, and Sustainability*
 - *Psychological Testing/Assessments*
 - *Capstone projects, I, II, & III*
 - *Theories of Career Development*
 - *Master's Thesis*
 - *Spirituality in Counseling*
- 2015-2017 Sonoma State University, Rohnert Park, CA
 Guest Lecturer, Masters program
- *Interpretation of Statistics*
- 2014 California Institute of Integral Studies, San Francisco, CA
 Guest Lecturer, Doctoral program
- *Naturopathic and Consciousness-Based Medicine*
- 2013-2014 Sofia University (formerly Institute of Transpersonal Psychology), Palo Alto, CA
 Adjunct Professor, Doctoral Program
- *Cognitive and Affective Psychology*

- 2013-2014 Sofia University (formerly Institute of Transpersonal Psychology), Palo Alto, CA
Director, Embodied Consciousness Research Group
- 2009-2014 Stanford University School of Medicine, Family Medicine, Stanford, CA
Research Project Coordinator with Dr. Sean David, Principal Investigator
Two NIH-funded studies, one on effects of pharmacogenetic counseling for smoking cessation and one on smoking cessation pedagogical techniques for medical students at 10 US medical schools headed by Harvard University and University of Massachusetts
- *Manage more than \$500,000 in two NIH grant awards*
 - *Assist in design and implementation of study protocol*
 - *Manage contracts, subawards, and budgets*
 - *Oversee activity of two external subcontract sites*
 - *Hire and manage team of standardized patients and trainer*
 - *Facilitate weekly progress meetings*
 - *Satisfy IRB reviews, quarterly statements, annual reports, institutional requirements*
 - *Handle adverse event reporting with Stanford IRB and federal agencies*
 - *Complete NIH clinical trials reporting and close-out procedures*
 - *Created budget used by pedagogy study in 10 medical schools*
- 2012 Stanford University School of Medicine, Primary Care Associate Program, Stanford, CA
Guest lecturer
- *Narrative Medicine*
- 2011-2012 Stanford University School of Medicine, Stanford, CA
Founding Co-Director, Program for Integral Health
- *Program development began March 2011 with Division Chief Sakti Srivastava, M.D. as faculty director*
 - *Explore consciousness, meaning making, and narrative in the healing process*
 - *Developed personnel, financial, and programmatic resources across departments within the School of Medicine*
 - *Led planning teams to identify research and educational goals and strategies*
 - *Developed courses in integrative and consciousness-based medicine*
 - *Secured access to >\$100K for student research projects*
 - *Completed development and launched program September 2012; project then shelved by administration*
- 2011-2012 Stanford University School of Medicine, Primary Care Associate Program, Stanford, CA
Data Manager
- *Evaluate and recommend new program management software, requiring detailed understanding of all phases of a clinical medical education program*
 - *Streamline information flow, reducing number of data management systems*
 - *Coordinate communications between students, faculty, and administration*
 - *Oversee preparations for accreditation renewal, including course alignment with accreditation standards, documentation, collation of materials, and presenting to accrediting agents*
 - *Coordinate grant proposal submission for program*

- 2011 Institute of Transpersonal Psychology, Palo Alto, CA
Guest lecturer
- *Consciousness-Based Medicine*
- 2009 Center for Mind-Body Medicine, Washington, DC
Research Assistant to founder/director Dr. James Gordon
- 2007-2011 Institute of Transpersonal Psychology, Palo Alto, CA
Research Assistant to Dr. Kathleen Wall – two private foundation-funded studies, a pilot study of an integrative psychology intervention for women with breast cancer and a randomized controlled trial of the same intervention for people with cancer
- *Project coordinator – Managed studies producing 7 dissertations*
 - *Design and implement patient and instrument tracking*
 - *Participant recruiting, including writing of marketing materials and consent form*
 - *Organize, schedule, and track investigator workflow*
 - *Manage team of seven research assistants*
- 2007-2008 Institute of Transpersonal Psychology, Palo Alto, CA
Research Assistant to Dr. Shani Robins – Integrative psychology interventions for people with cystic fibrosis, joint project with Stanford University and the Cystic Fibrosis Research Institute
- *Research and design psychological interventions*
 - *Literature review*
 - *Research and evaluate instruments*
 - *Liaise between PI and research assistants*
 - *Write proposal, ethics committee and IRB submissions, and treatment guide*
- 2006-2007 Cambridge College, Bellevue, WA
Massage Therapy Program Manager
- *Started as classroom instructor, taught full 600 hour curriculum*
 - *Improved student pass rate on national exam from 50% to 85% in one year as lead instructor*
 - *Promoted to department head*
 - *Increased student and instructor retention through relationship building, conflict resolution, and motivational skills*
- 1996-2002 Body-Mind-Spirit, A Center for Healing, Steamboat Springs, CO
Founder/manager/therapist
- *Sole proprietor responsible for management, marketing, and bookkeeping*
 - *Up to 15 therapists offering 35 healing modalities including: psychotherapy, hypnotherapy, nutritional counseling, shamanic work, acupuncture, and bodywork*
 - *Expanded to offices in 3 towns, each associated with a conventional medical center*
 - *Had personal massage clients from around the state and across the country*
 - *Served as CAM representative on Ethics Committee of Memorial Hospital, Craig, CO*

GRANTS AWARDED

2015-2020 BIAL Foundation, Coronado, Portugal

Principal Investigator
Grant# 528/14, € 43.000

- *Psi Performance in Attenuated Electromagnetic Fields*

PUBLICATIONS and PRESENTATIONS

Editorial positions:

- 2010-2016 International Journal of Transpersonal Studies, Palo Alto, CA
Associate Managing Editor
Peer Reviewer
- *Guest editor for Fall 2014 issue on Transpersonal Medicine*
 - *Solicit manuscript submissions*
 - *Administer peer review process*
 - *Guide manuscript revisions to meet publication standards*
 - *Coordinate issue content with other editors*
- 2012-2015 Integrative Medicine and Health International Research Congress
Peer Reviewer
- 2013-2014 Nicotine and Tobacco Research
Peer Reviewer
- 2012-2013 Poetics of Aging, online journal, www.poeticsofaging.org
Editor, Peer Reviewer
