Join us via Zoom on any of the following days/times to answer your questions about Traineeship and (paid) Associateship Opportunities:

1/19/21: 10-11am
1/20/21: 11-12pm
1/21/21: 3-4pm
1/22/21: 2-3pm

Zoom Meeting ID: 932 6721 3995
Passcode: 806851

Note: Services currently offered remotely (phone and video) due to pandemic.*
Office based Trainees/Associate Internship, within the Bereavement Department at By the Bay Health (formerly Hospice by the Bay), a 45 year old hospice, and an affiliate of UCSF.
1 year commitment required for Trainees and Associates
$22 per hour stipend for post graduate Associates
Hours required: 20-24 hours per week Trainees, 24 hours per week Associates
Once in-person services resume, there will be opportunities available at our three locations: Marin, San Francisco and Sonoma.
Standard hours are 8:30a-5p with some evening availability required for support group facilitation
Clinical opportunities include: clinical intakes, phone outreach, individual and group grief counseling, workshop facilitation, and community in-services.
Population served includes primarily adults (all ages), some opportunities to work with teens, children, couples and families
Short and longer-term grief counseling (up to 1 year)
Intensive weekly clinical supervision including: 1hr individual/triadic supervision and 2hr group supervision provided by licensed supervisors
Monthly clinical in-service training facilitated by By the Bay Health clinical staff and community clinicians

Opportunity to learn best practice in documentation in an Electronic Medical Record (EMR)

Training in Telehealth/remote counseling provided in alignment with BBS standards

*Services postponed at this time due to pandemic include: school-based art and grief support groups and weekend grief camp for children and teens.
