Addendum C:

On page 264 in the catalog, under the heading “Undergraduate Program,” the first bullet states “the maximum number of units a student can transfer to the Bachelor of Science in Psychology is 81”. This number is incorrect. The maximum number of units a student can transfer is 80.

On page 268, under the heading “Undergraduate Transfer Credit,” it is stated that “The School of Undergraduate Studies (SUS) accepts up to 84 units of transfer credit...” The correct wording is, “The School of Undergraduate Studies (SUS) accepts up to 84 units of transfer credit for Bachelor of Arts in Interdisciplinary Studies, and 80 units for Bachelor of Science in Psychology.”

In the same section, the second line of the chart states that there is an 84-unit limit of transfer credit from accredited four-year institutions. This is misleading. There is an 84-unit limit for Bachelor of Arts in Interdisciplinary Studies and an 80-unit limit for Bachelor of Science in Psychology.
